Dear Percy:

I am writing to get you to do me a big favor, and please take care of it right away, as it may mean money to me.

Of course you know Mc Duffie has been sick, and I want to get some idea of how sick he is and what we can expect from him for the balance of the season. In order to do this I want to get a report of his condition from the doctor. Now I have ordered him to go to Dr Chainey in New York, and Dr Chainey asked me to write the doctor who treated him in Norfolk, and ask that Dr. to send him a diagnosis of Mc Duffies case. Dr Chainey address is

Dr Perry Chainey  
1890 Seventh Ave.  
New York City N.Y.

I am sure Abe told you the big salary Mc Duffie demanded. As a result we expected him to be able to win some games, and draw some people in the park. He not only has looked like two cents, but this rain has got us about \$5000.00 in the red. So we are in no position to feel sentimental. If he is not going to be able to help us, we want to know it.

Now please get to the doctor or doctors right away, and get a letter off to Dr Chainey air mail special. Their is a pay day due the 15th, and I would like to know by then what is what. I will appreciate it very much if you will do this for me right away.

I hope things are still going good for you. If the baseball keeps on like this I will be asking you to take me in as a partner in the hotel business, Ha! Please let me know what you do about the doctor. Thanking you in advance,

Very Truly Yours
